BLOWOUT

Adventures in live, inclusive sculptural practice

BLOWOUT invites visitors to continue the journey started by ActionSpace artists Pardip Kapil and Linda Bell. During their 6-month residency at One Trust day centre in South London, making, movement and activation blurred into a boundless sculptural party. Push boundaries and experiment with the creation of collaborative sculptural forms in this not to be missed interactive exhibition experience!

Exhibition open to explore 10 – 5pm – 29 and 30 July 2026.

Pardip Kapil, Linda Bell and One Trust participants will be onsite each day and invite you to join them activating the exhibition during relaxed sessions open to all.

29 July 11 – 12.30 and 1.30 – 2.30pm Pardip Kapil
30 July 11 – 12.30 and 1.30 – 2.30pm Linda Bell
